IVETA History and Administration

IVETA was conceived in 1984 by a group of technical and vocational educators who wanted to facilitate the sharing of knowledge between developing and developed countries. The Constitution was adopted in 1985 at a General Assembly and provides for the election of an Executive Committee to manage IVETA activities. The Executive Committee is composed of 13 officers who serve two-year terms and include a: President, President Elect, General Secretary, Treasurer, Membership Secretary, and 8 Regional Vice Presidents (Africa, East Asia and the Pacific, Eastern Europe and Central Asia, Europe, Latin America and the Caribbean, Middle East and North Africa, North America, and South Asia). The first President of IVETA was from Jamaica.

IVETA is an independent organization and is registered as a Non-Government Organization (NGO) in the USA. IVETA financing is from membership dues. IVETA has individual and/or organizational members in over 50 countries in all regions of the World and has linkages with many major national, bilateral, and international development organizations working in the field of technical and vocational education.

The IVETA Internet Web Site www.iveta.org is an excellent way to quickly obtain more and updated information on IVETA. The web site includes the names and contact information for all Executive Committee members who can respond to questions. IVETA also maintains an Executive Secretariat which can respond to questions, and membership applications should be sent directly to the Secretariat at:
