<b>Committee Chairs</b>	<b>59</b>
<b>Charter Members/IVETA Past Presidents</b>	<b>60</b>
<b>Membership Application</b>	

## 2008 IVETA Membership Directory

The 2008 IVETA Membership Directory lists current regular and organizational members. It provides important information about each listing that will enhance communication, connections and networking worldwide. You will note we have adjusted the classifications due to a change in the Vice President structure.

Currently the IVETA membership year is 1 January to 31 December. Memberships should be renewed as early in the year as possible. IVETA went electronic in 2007. The full newsletters, journals and this directory are available on the members' only section of the IVETA web site. In addition, members receive a monthly Hot Line through the new updated web site.

This Directory includes names of those persons and organizations that renewed or obtained new memberships prior to 6 August 2008. A revised **IVETA Membership Application/Renewal Form** is included as the last page of this directory. Dues may be paid by check, money order, Western Union or by authorizing the charge to VISA or MasterCard bank credit cards.

IVETA members are encouraged to enlist new members to join the association. You will note there are awards available to those who sign up the most new members in 2008. See [www.iveta.org](http://www.iveta.org). Please feel free to make copies of the membership application/renewal form and send it to persons you know who may wish to enlarge their professional networks and activities in vocational and technical education through participation in IVETA. Our association can continue to grow and participate effectively in international vocational education and training only if our membership continues to expand. Please note that student memberships are available for \$25 per student.

From time to time throughout the remainder of the year, additional memberships will be added to the membership listing on the IVETA web page at <http://www.iveta.org>. You can access the members' only section by using your login and password. The login is the first initial of your first initial of your first name.last name. If you have a hyphenated last name, please leave the hyphen out. The password is 2008iveta, all in lower case. Members receive this information when they receive an email confirmation of their membership at the time of renewal or the start of a new membership. Please contact Barbara Herrmann at [iveta@visi.com](mailto:iveta@visi.com) if you encounter any problems. This site will give you information on members, minutes and upcoming events along with copies of past newsletters and journals. The listing of the members on the web site is updated as new members are added. This directory is updated once per year.

IVETA is very pleased to welcome several new regular members, organizations and journal subscribers since the publication of the 2007 directory. We trust you will find IVETA the quality professional organization and network you anticipated when you joined. To those who have continued membership, we offer our thanks for your support and commitment to IVETA's mission.

Barbara Herrmann  
IVETA Executive Secretariat/Treasurer
